Hello!

Hope you're both well. I'm sure you've had a ton of weddings since mine (on a snowy 17th March) but I just wanted to thank you both and all your teams for making our day so perfect! The barn looked stunning and the food was incredible. The team went above and beyond in making sure everything ran smoothly. I had the wedding of my dreams and despite the snow, everything fell into place perfectly.

I will recommend Hunsbury Hill to any of my friends getting married!

We're still living in the memories of our big day.

Massive thanks again, Anna and Dylan (Bride and Groom)

Hi Sarah,

Firstly, I'd like to say what a wonderful time we had on Saturday for Anna's wedding at the Barns at Hunsbury Hill (despite the snow). The place was absolutely ideal for the wedding and your staff were so helpful. Sarah, managing the event, was on top of everything and the day was as memorable as we had hoped it would be. Stuart's food was just brilliant, the people behind the bar were great, and the place looked wonderful, so beautifully decked out. Thank you for all your help in making this the best day of my daughter's life!

Please feel free to use any of them above in your marketing material. We couldn't have asked for anything better.

Thanks again.

Kind regards and a best wishes – Justin (Father of the Bride)

We would like to thank Stuart (at Impressions Caterers), Sarah and Hayley for making our big day (29 March 2018) such a success! It was a smooth and pleasant experience from the beginning of the planning to the end of the big day! Sarah was our first point of contact at The Barns, and she explained all the packages and finer details of what they offer. She was very prompt in responding to all communications throughout the wedding planning and was very informative. Sarah also kindly recommended external suppliers which was a great help! We can't thank her enough! Stuart was very clear and thorough when it came down to the catering and order of the day. He managed all expectations and was very accommodating with the menu options. He was also very flexible with the venue layout and all other requirements we had. (Thank you for restocking the jagers and tequilas for us ;)) Overall, the venue itself was beautiful with or without decorations. We appreciated all the maintenance and structural updates that were made as we can see they've done this to ensure all their customers experience at The Barns is pleasant and memorable! Thank you team for all the hard work and effort in making our big day special! All our friends and family enjoyed themselves. A&A (Bride and Groom)

Chloe and I had a truly incredible day and it was made all the more memorable by having such wonderful people behind the scenes arranging everything and making sure all was as it should be. We both truly appreciate the hard work and effort put into it all! Again, thank you so much x (Groom – Rob)
