

Playground Inspection Training

Thursday, 4th October,
2018

10am—3.45pm

Venue:

tbc

Cost per delegate: £74 (members) / £84 (non-members)

The aim of this session is to enable your organisation to carry out routine visual playground inspections safely and to take appropriate follow up actions. Our trainer, member of the Register of Play Inspectors International Ltd (RPII), will be leading a session on:

- Child development, the importance of play and accessibility
- Risk benefit judgments
- Legalities, the appropriate Acts of Parliament, European Standards and how they may affect the operator and directly the inspector
- A logical and systematic approach to inspecting including risk assessment
- Practical inspection of approaches to playground including signs, road barriers, traffic, playground surround, vegetation, fences and gates
- Practical inspection of the active playground area within the fenced surround, seats, litter bins, vegetation, lighting, other furniture, non-play items and surfacing
- Essential aspects of inspection, maintenance and common faults
- Documentation, reporting and importance of record keeping
- How to minimise your risks and maximise children's enjoyment of your play facility

Please note lunch will not be provided, but hot drinks, fruit and biscuits will be available.
